

Safe Art is art for the safe: small, compact, functional, these pictures can be deposited between your shares and bonds or a bundle of banknotes.

Safe Art, there are hundreds of pictures exposed in a card index box. To look at them, the visitors must put gloves on.

A part of the pictures of Safe Art are put on the wall and serve as example. So, visitors can also buy series and create their own "collection".

All the pictures of Safe Art were taken from videos published on Internet and retouched by the artist.
